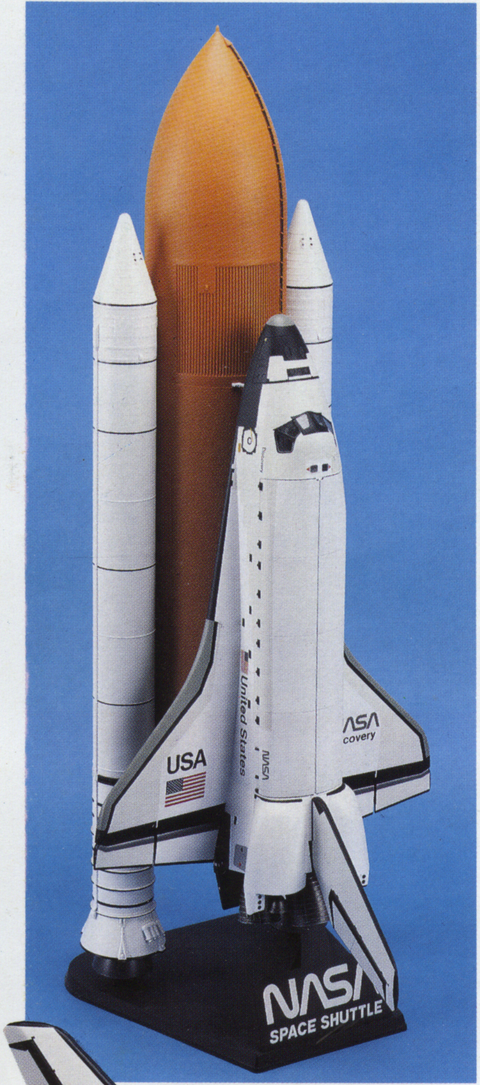
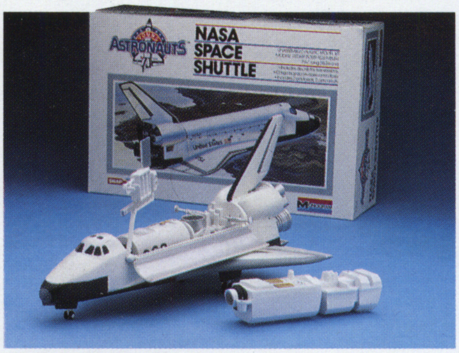
YOUNG ASTRONAUT™ KITS

The Finest Space-Age Model Kits in the World.

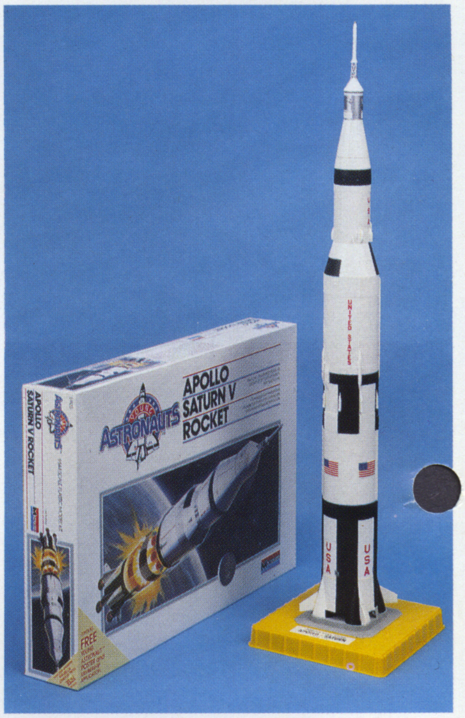
Quality, detail and realism have made Monogram models famous throughout the world. And the kits shown here have something extra... the "Young Astronauts™" logo. Conceived to encourage the spirit of scientific inquiry and adventure among the youth of America, The Young Astronaut™ Program has reached out to thousands of students across the nation. Educators, business leaders and parents have found the Program to be a stimulant to the improvement of scientific and mathematical skills of the young people the world over.



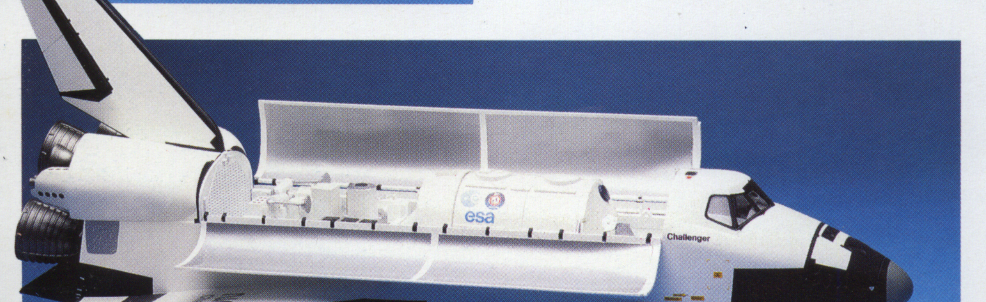


5905 Snap Tite Space Shuttle. 1/200 scale model of NASA shuttle features snap-together construction for easy assembly. Cargo bay doors are hinged to reveal detailed interior.

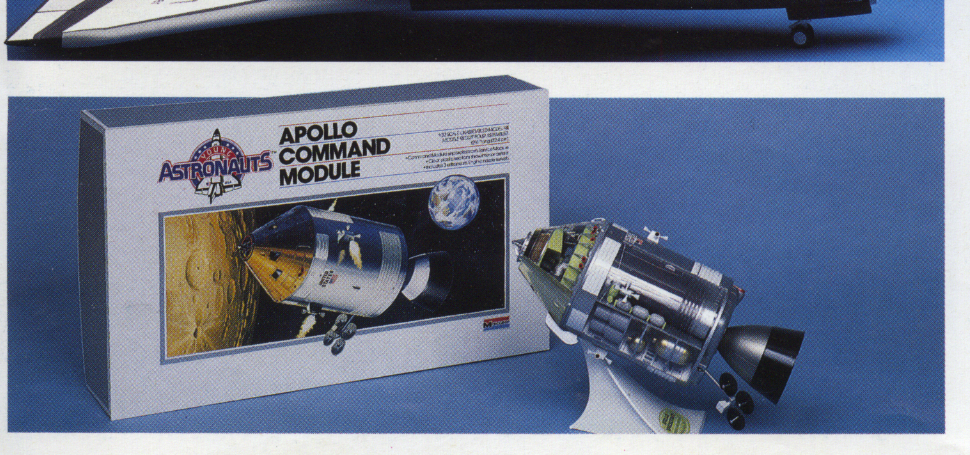
5900 Space Shuttle with Fuel Tank Cluster. In 1/72 scale, this detailed model of the NASA shuttle with its gigantic fuel tank and rocket boosters, is a massive display. Kit includes launch-pad display base.



5903 Apollo Saturn V Rocket. In 1/144 scale, this model is over 30" tall and stands on launch-pad display base. All stages separate from each other and can be re-assembled.



5904 NASA Space Shuttle. This 1/72 scale model is nearly 20" long and is highly detailed inside and out. Kit includes two figures in space suits, detailed cargo bay and markings for Enterprise, Columbia, Discovery, Challenger and Atlantis.



5902 Apollo Command Module. This 1/32 scale model shows, in detail, what the Apollo Command and Service Modules looked like, inside and out. Transparent plastic segments show internal structure, instrument and control panels, storage tanks and guidance appara[illegible] Includes 3 astronaut figures. Large rear engin[illegible] nozzle pivots.

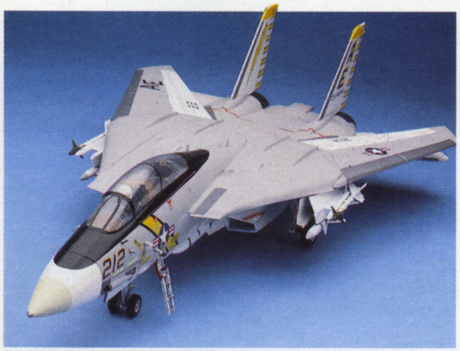
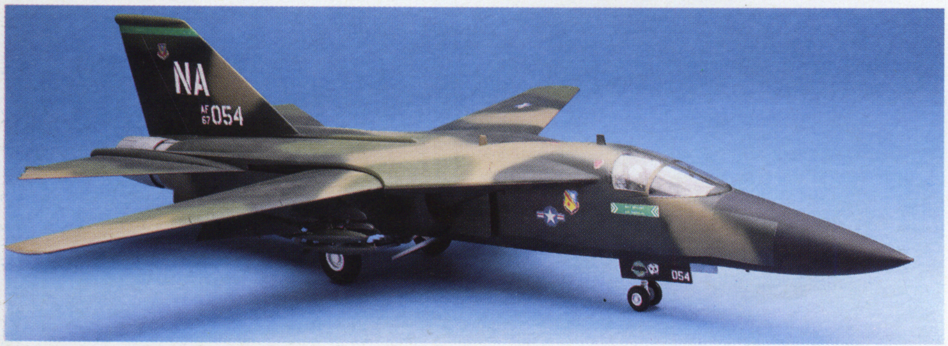
5801 F-15 EAGLE. 1/48 scale.

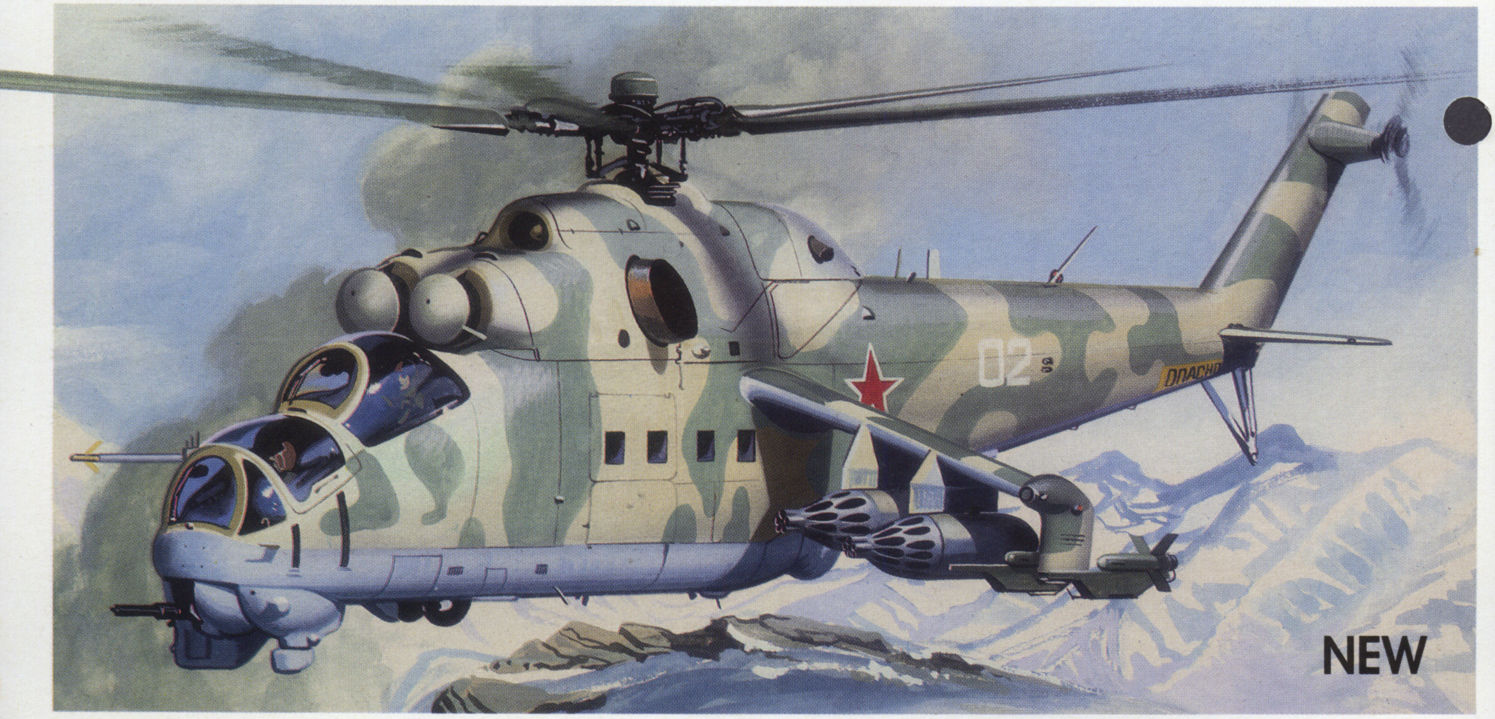


5803 F-14A TOMCAT. 1/48 scale.

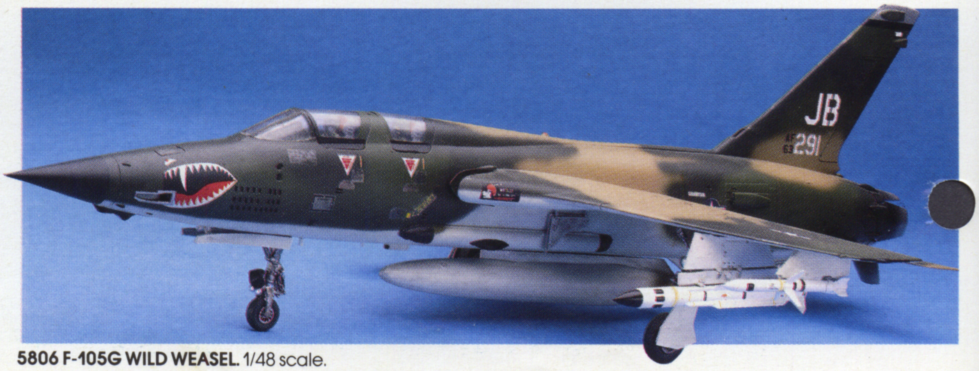
9527 AIR PATROL ASSORTMENT. Each of these 1/48 scale kits is an impressive model...accurate in every detail. Together, they represent an imposing array of military muscle.



5804 F-111 SWING WING FIGHTER. 1/48 scale.

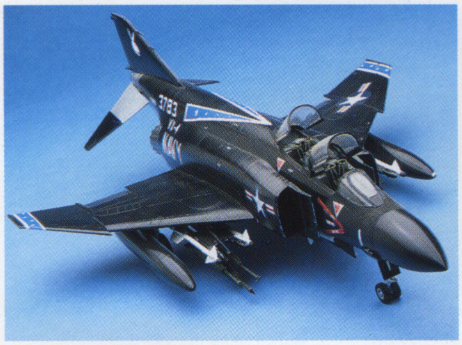


5819 MiL-24 HIND GUNSHIP. 1/48 scale. This aggressive looking machine was used operationally by the Soviets in their invasion of Afghanistan. With its vast array of armament, including rockets, missiles and 4-barrel machine gun, it's a powerful anti-tank weapon.

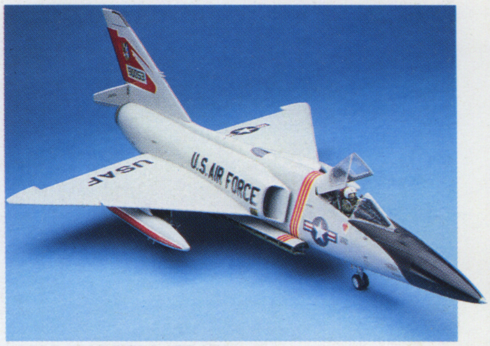


5806 F-105G WILD WEASEL. 1/48 scale.

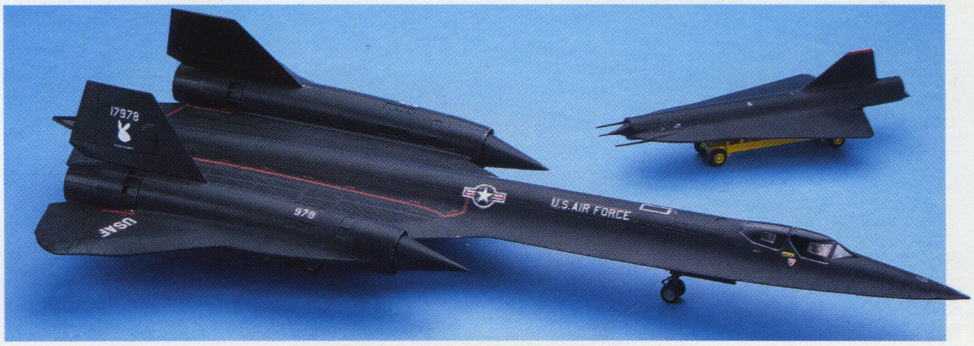
531 ATTACK FIGHTER ASSORTMENT. These BIG model kits are as exciting as the actual jet aircraft that inspired them. They're realistic down to the smallest detail...they're molded in color and have authentic insignia.



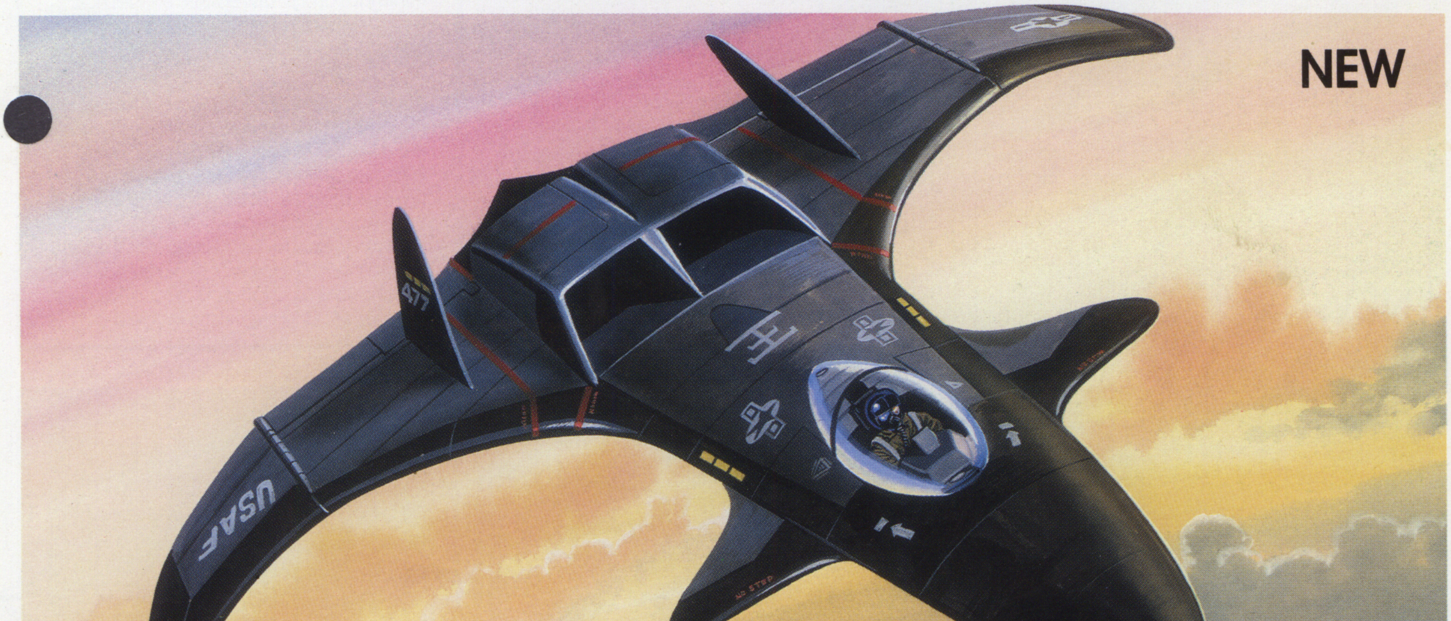
5805 U.S. NAVY F-4J. 1/48 scale.

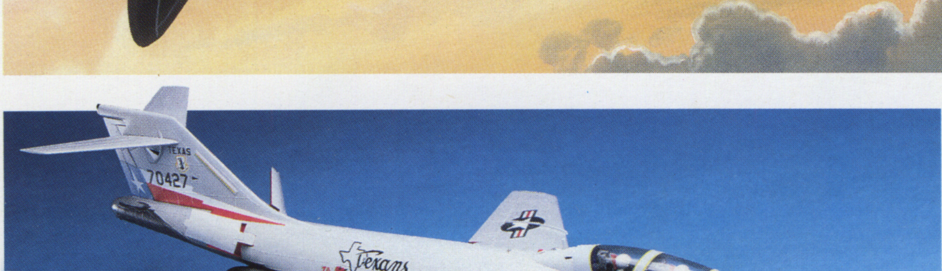


5809 F-106 DELTA DART. 1/48 scale.



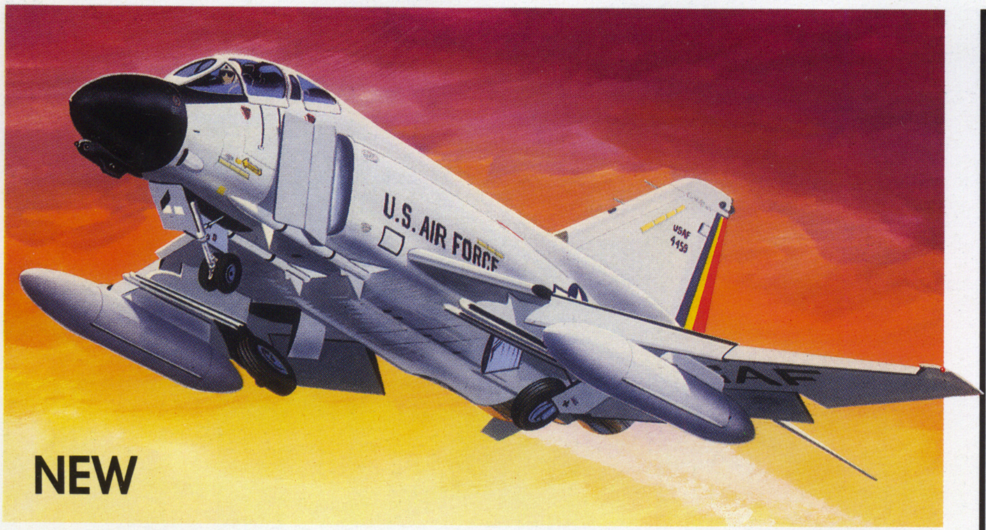
5810 SR-71A BLACKBIRD. 1/72 scale. This model is a miniature replica of the actual Lockheed aircraft. Kit includes detailed cockpit, landing gear and wheel wells and the unique GTD-21 pilotless drone.

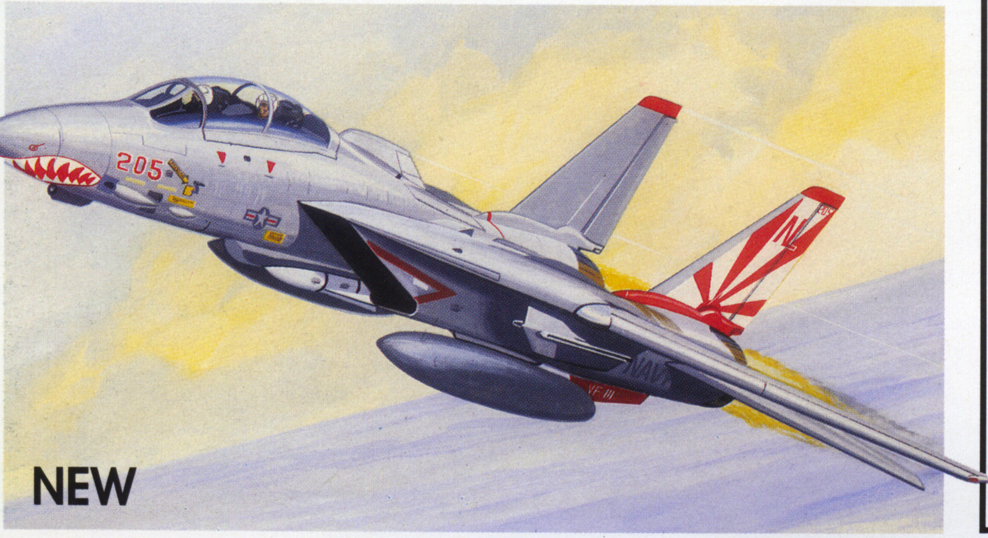




5811 F-101 VOODOO FIGHTER. 1/48 scale.

5824 F-19 STEALTH FIGHTER. 1/48 scale. Speculation about this mystery aircraft continually receives a great deal of press coverage. Official sources remain tight-lipped about its identity, but artists renderings based on a consolidation of clues and some conjecture, have sparked a keen interest among aviation enthusiasts.



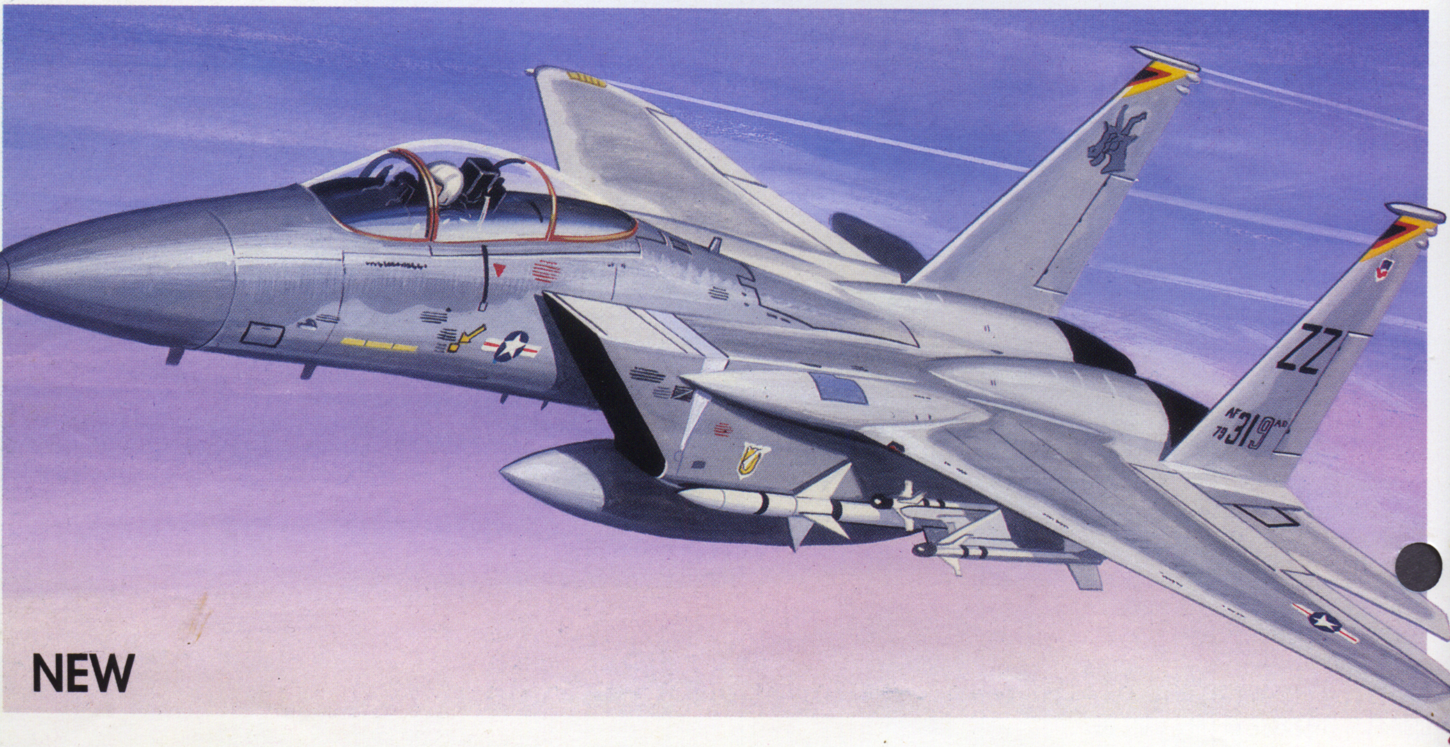


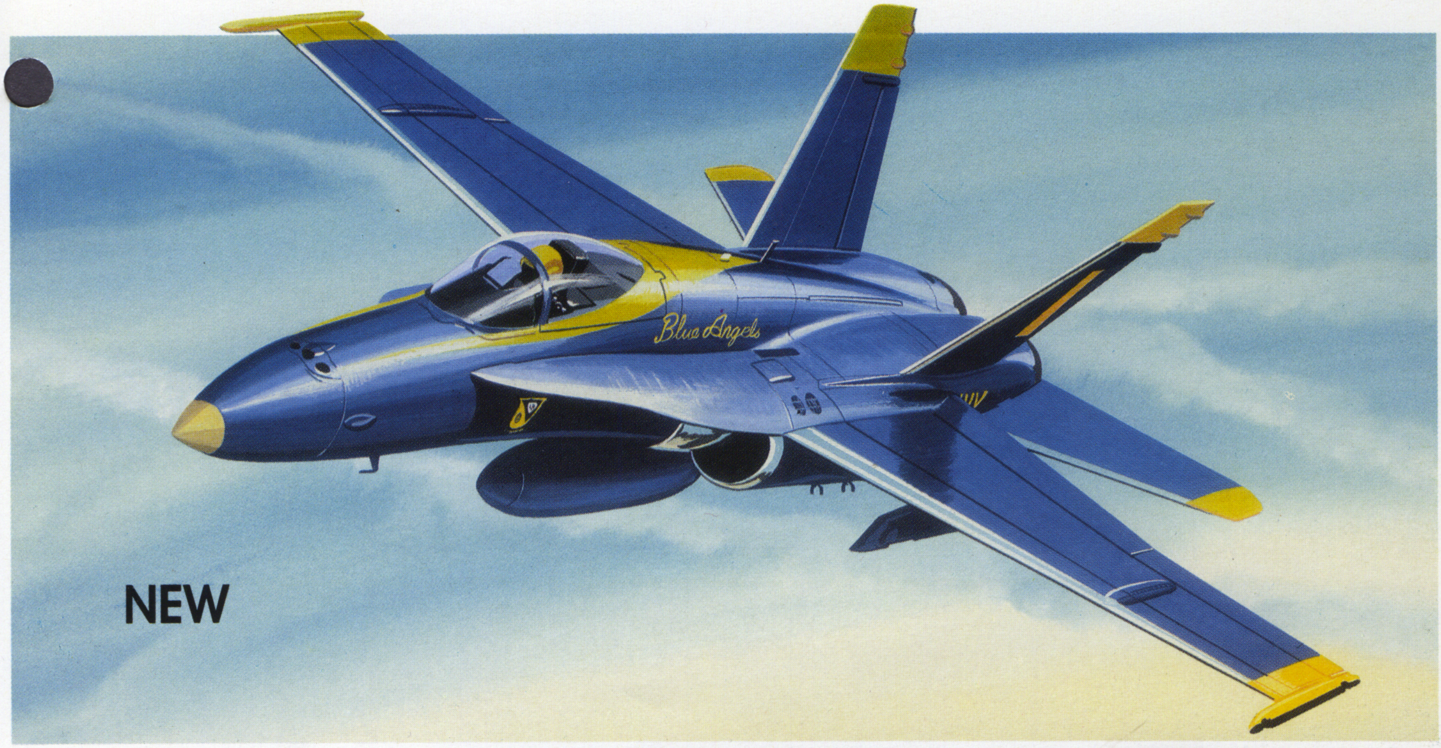
9555 AIR DEFENSE ASSORTMENT. The U.S.A.F. as well as the U.S. Navy are represented in this group of 3 jet aircraft. They can't be beat for air superiority. And for modeling superiority, these three kits can't be beat either. They're super detailed, molded in color and have clear plastic canopies and authentic insignia.

5821 AIR DEFENSE F-4C/D. 1/48 scale. Still going strong after more than 20 years in operational use, this massive aircraft is over 60′ long. More than 5200 F-4s have been built. This model is superbly detailed right down to the drooped stabilizers, upswept wings and cavernous air intakes which are so characteristic of the Phantom.

5822 F-14A TOMCAT. 1/48 scale. This carrier-based air-superiority aircraft has variable sweep wings that are computer controlled for maximum speed and minimum drag. This realistic model has wings that are pivoted to swing in and out. Includes pilot.

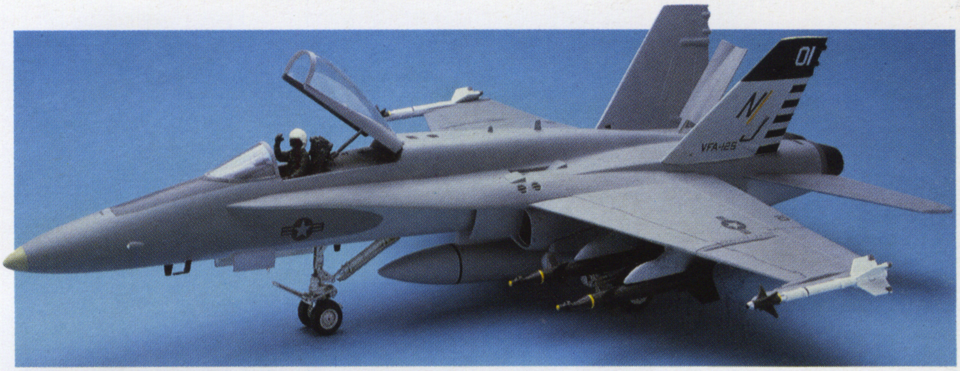
5823 F-15C EAGLE. 1/48 scale. Among the best high-tech combat aircraft ever created, the F-15 is capable of speeds in excess of 1600 mph with superb maneuverability. The "C" is one of the most advanced versions of the Eagle with increased fuel capacity to improve its operational range. This model has detailed cockpit, landing gear and wheel wells and authentic insignia.



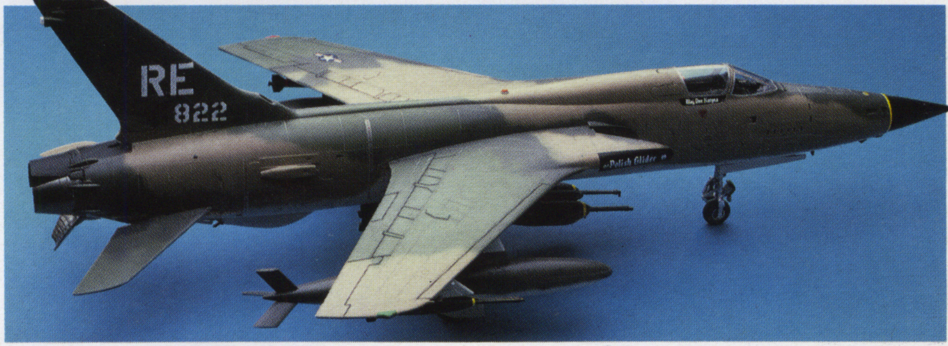


5820 BLUE ANGELS' F-18 HORNET. 1/48 scale. The U.S. Naval Aerobatic Flying Team is famous the world over. The *Blue Angels* make personal appearances throughout the nation and beyond, demonstrating their skill in close-formation precision maneuvers and spreading good will for the U.S. Navy. This model kit includes the colorful Blue Angels markings.

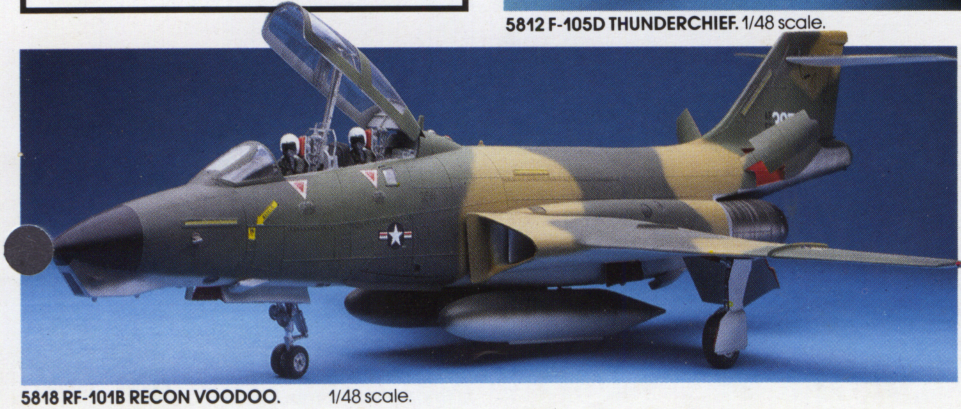
9547 TACTICAL FIGHTER ASSORTMENT. In 1/48 scale, the size of these kits is impressive. The realistic detail is impressive, too. These tactical fighters are among the fastest, most effective jet aircraft in the skies, and among the most popular in model kit form.



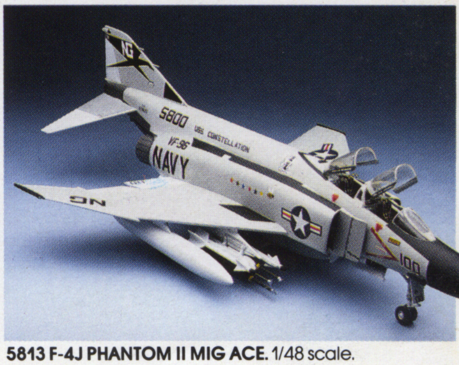
5807 A-18 ATTACK FIGHTER. 1/48 scale.



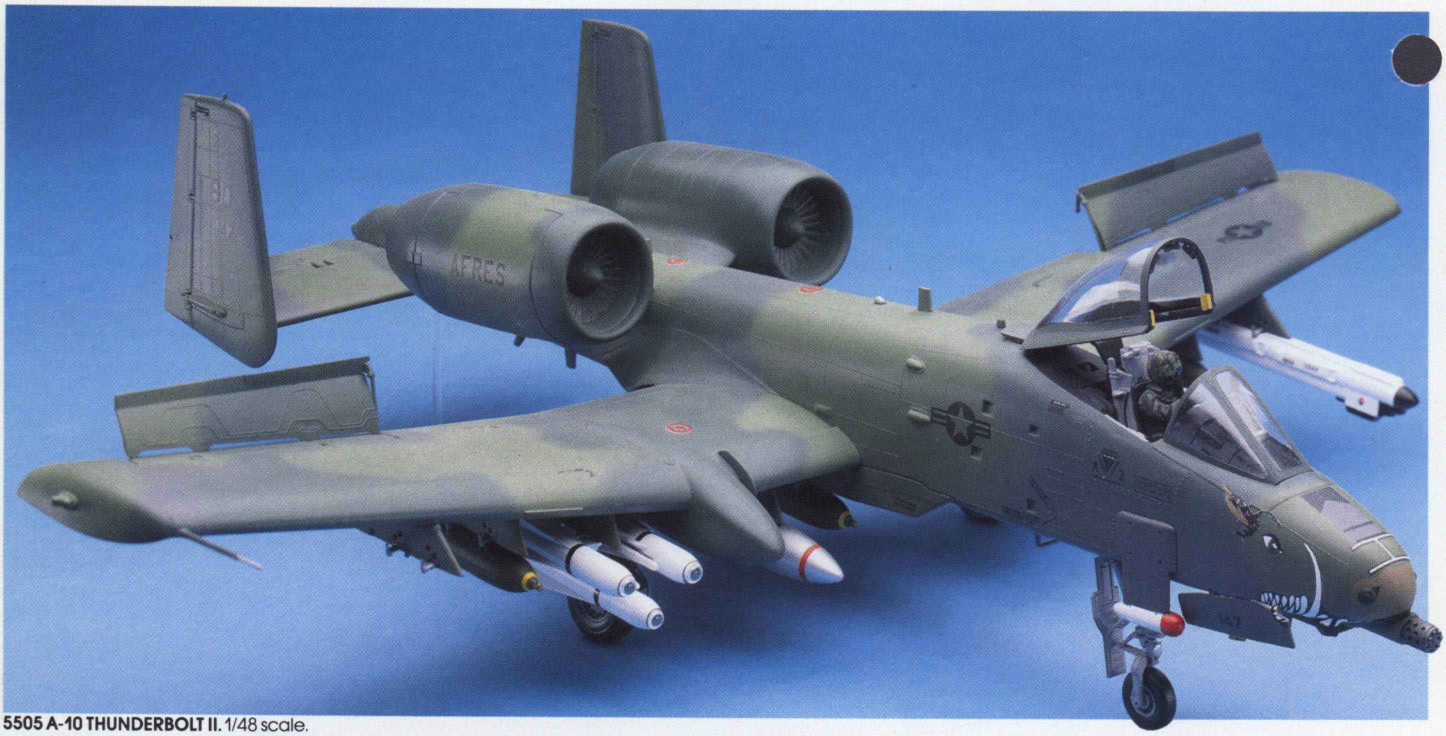
5812 F-105D THUNDERCHIEF. 1/48 scale.



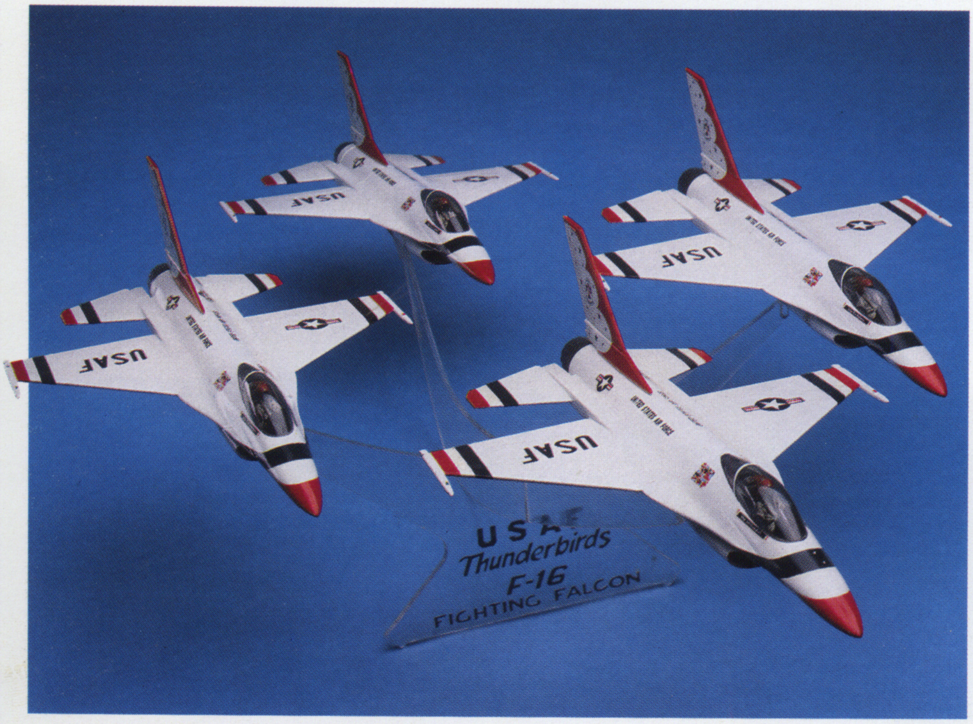
5818 RF-101B RECON VOODOO. 1/48 scale.



5813 F-4J PHANTOM II MIG ACE. 1/48 scale.

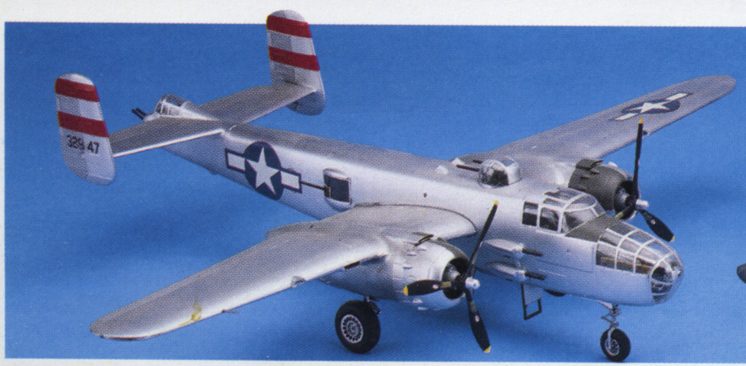


5505 A-10 THUNDERBOLT II. 1/48 scale.

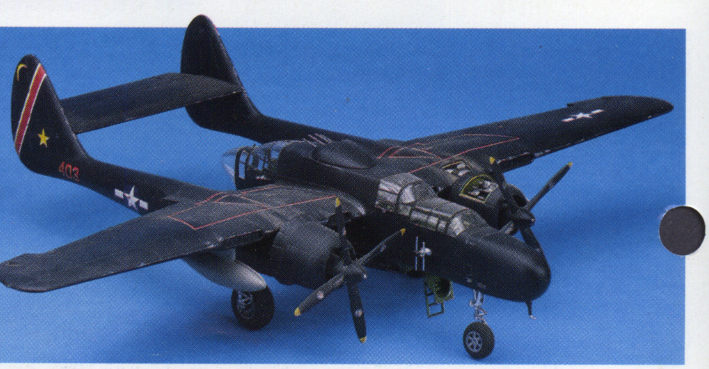


9543 AIR COMMAND ASSORTMENT. In real life, these planes were quite large. In 1/48 scale, they're BIG model kits and they're molded in appropriate colors.

5504 THUNDERBIRDS' F-16. These 1/72 scale Fighting Falcons make an impressive display, arranged in diamond formation and finished with the colorful markings of the U.S.A.F. aerobatics demonstration team. Kit includes all four planes with clear-plastic display base.

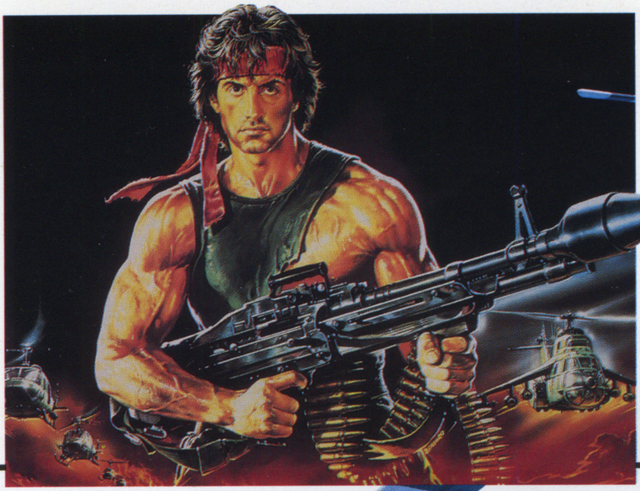


5502 B-25J MITCHELL. 1/48 scale.

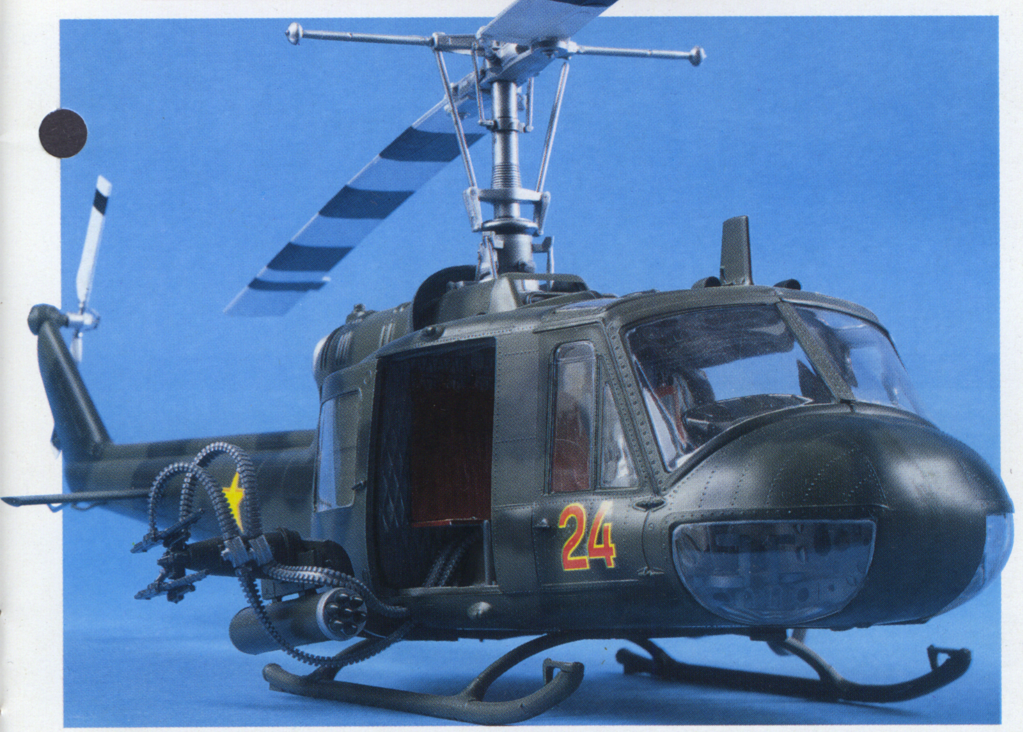


7546 P-61A BLACK WIDOW. 1/48 scale.

RAMBO™



He's tough...he's a survivor...and he's America's newest super hero! He's RAMBO from the mega-hit movie *Rambo: First Blood™ Part II*. And now, two exciting, new RAMBO model kits are available exclusively from Monogram. The 1/24 scale RAMBO Combat Chopper is $19\frac{5}{8}$″ long when assembled. The RAMBO Attack Set features a River Patrol Boat as well as a Chopper, both in 1/48 scale.



6038 RAMBO COMBAT CHOPPER. So realistic, you can almost feel the excitement of John Rambo stalking the jungles of "Nam". In 1/24 scale, the rotor span is 21". It's molded in olive-drab, silver, black and clear and has special decals inspired by the movie. Armament includes 4 machine guns with flexible cartridge belts and 2 rocket pods. Rotors spin.

6039 RAMBO ATTACK SET. This kit contains two models. In 1/48 scale, the Chopper is $9\frac{13}{16}$″ long. It's molded in olive drab and clear and includes insignia and painting instructions inspired by the movie. Rotors spin. The 1/48 scale River Patrol Boat is molded in gray and is $9\frac{7}{16}$″ long. It's armed with 3 guns and includes a display stand.

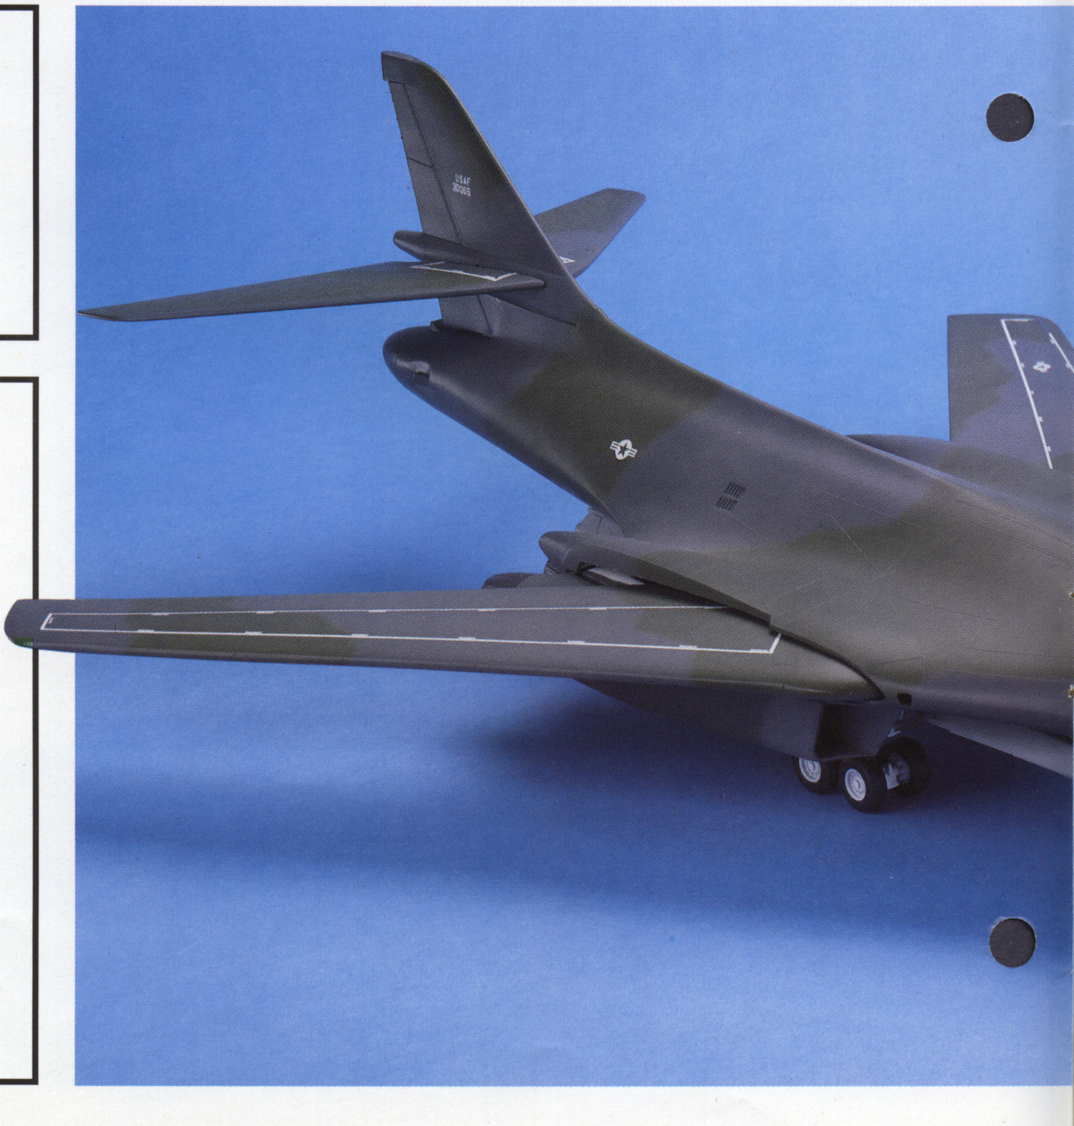
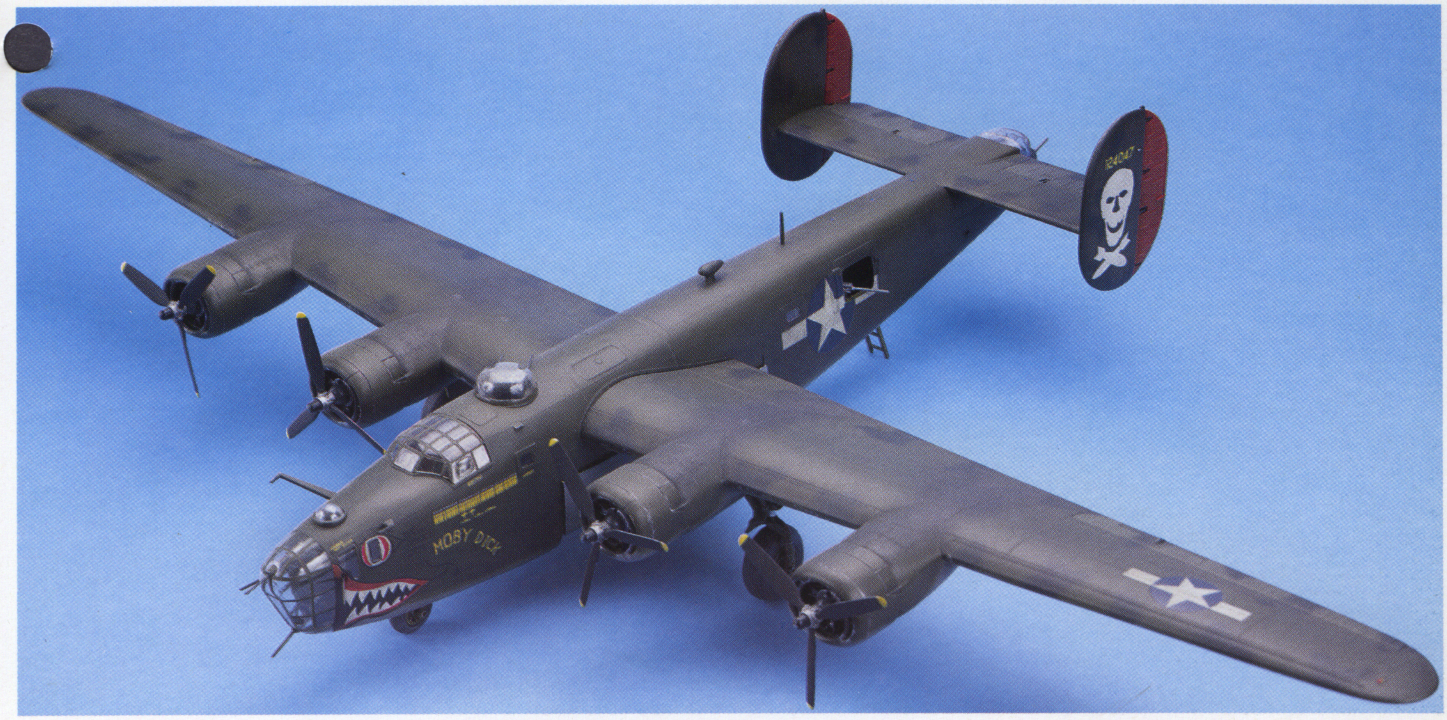
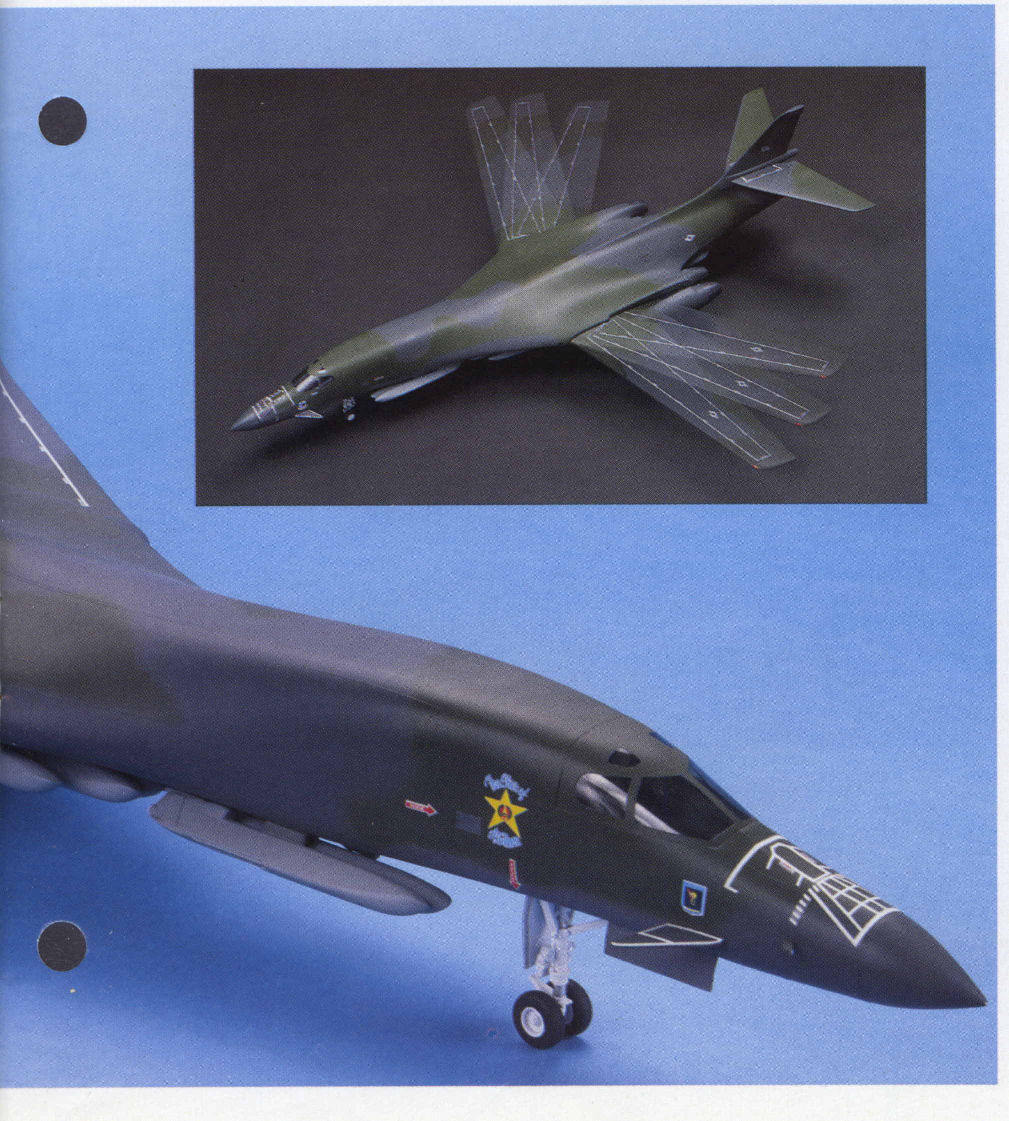
5600 B-17G FLYING FORTRESS. The most famous bomber of all time. 1/48 scale, 26″ wingspan. Includes 5 crewmen, bomb cart with bombs and fully detailed interior.



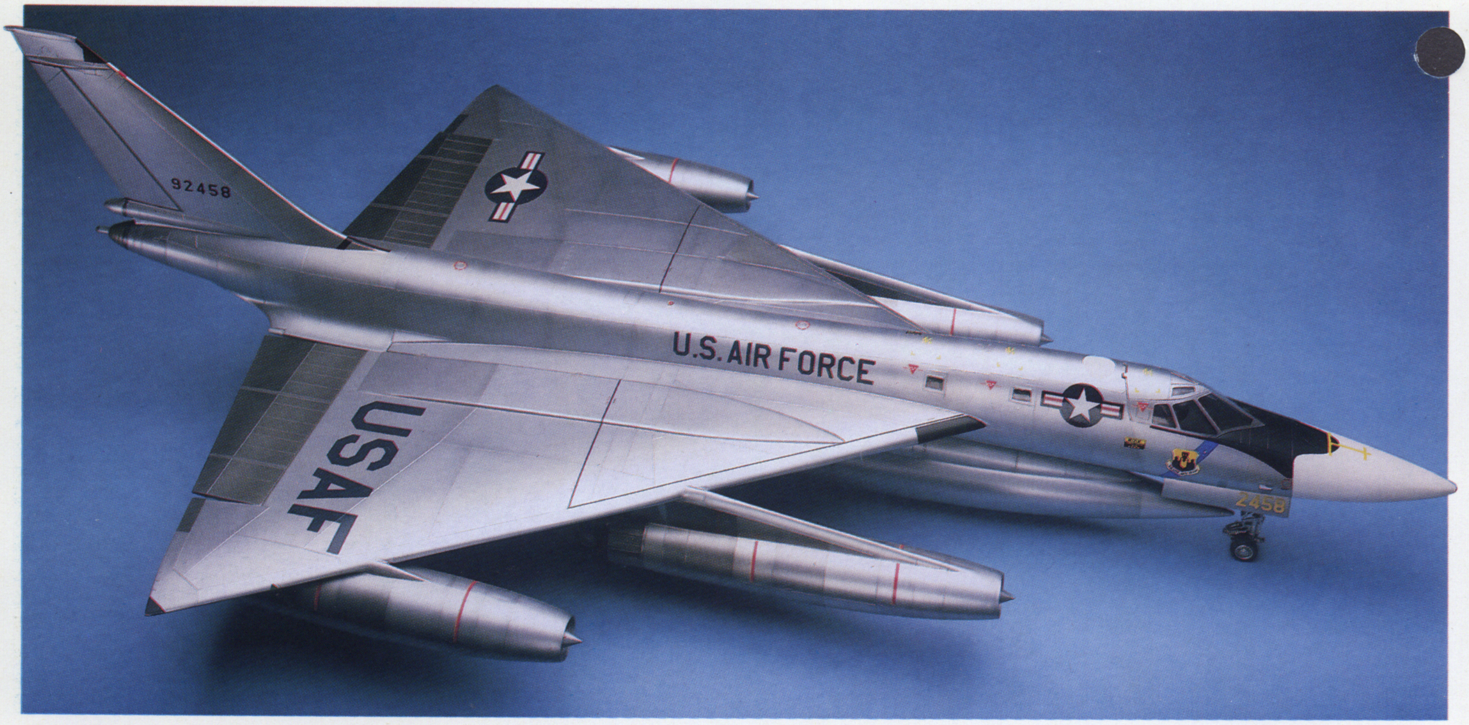
9532 HISTORIC AIRCRAFT ASSORTMENT. This series includes unique kits that are favorites of model enthusiasts. And in Super Scale size, their realistic detail is exquisitely engineered. The Monogram quality makes each kit a pleasure to assemble and produces a finished model to be proud of.





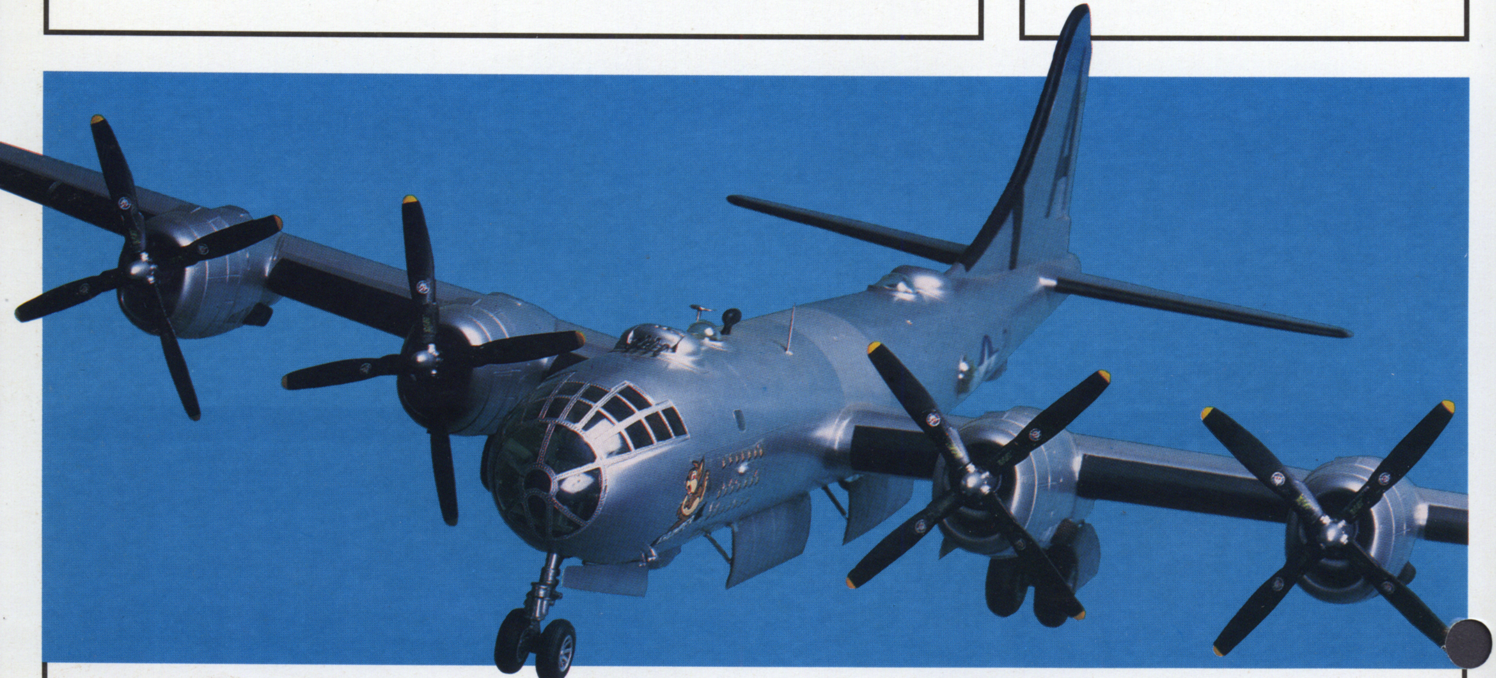
5604 B-24D LIBERATOR. The famous "glass nose" B-24 with its mighty twin rudders and four engines. In 1/48 scale it has 27½" wingspan. Molded in color with authentic insignia. Includes crewmen, detailed cockpit and bomb bay.

5606 B-1B STRATEGIC BOMBER. The Strategic Air Command's new long-range combat aircraft, the most widely publicized airplane in modern times, comes to life in this 1/72 scale kit from Monogram. Molded in "European Green", it's 24¼" long and includes clear cockpit canopy, low visibility markings and "ACLM" missiles. Pivoting wings swing out to a maximum span of 22". The model is the "Spirit of Abilene", the first operational B-1B to enter service.

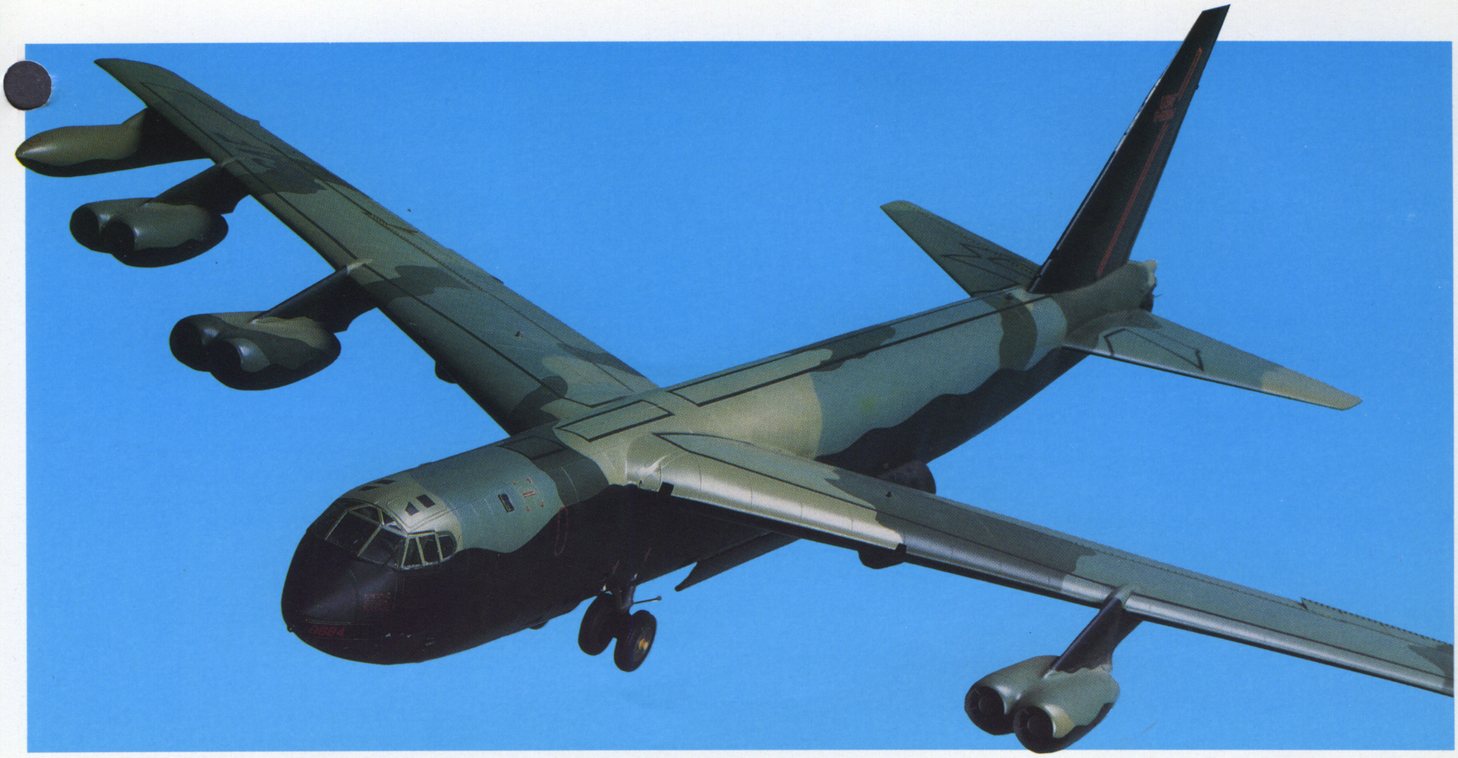


9533 SUPER BOMBER ASSORTMENT. The super feature of these kits is their super size. But they're loaded with lots of other features, too. They're molded in authentic colors and the details will amaze everyone.

5704 SAC B-58 HUSTLER. This sleek, delta-wing strategic bomber set new records for supersonic speeds. In 1/48 scale, this kit includes highly detailed cockpit, landing gear, jet engines and external weapons pod. Wing and fuselage panels are scribed with fine, raised details. Optional "free-fall" bombs are provided for underwing pylons.

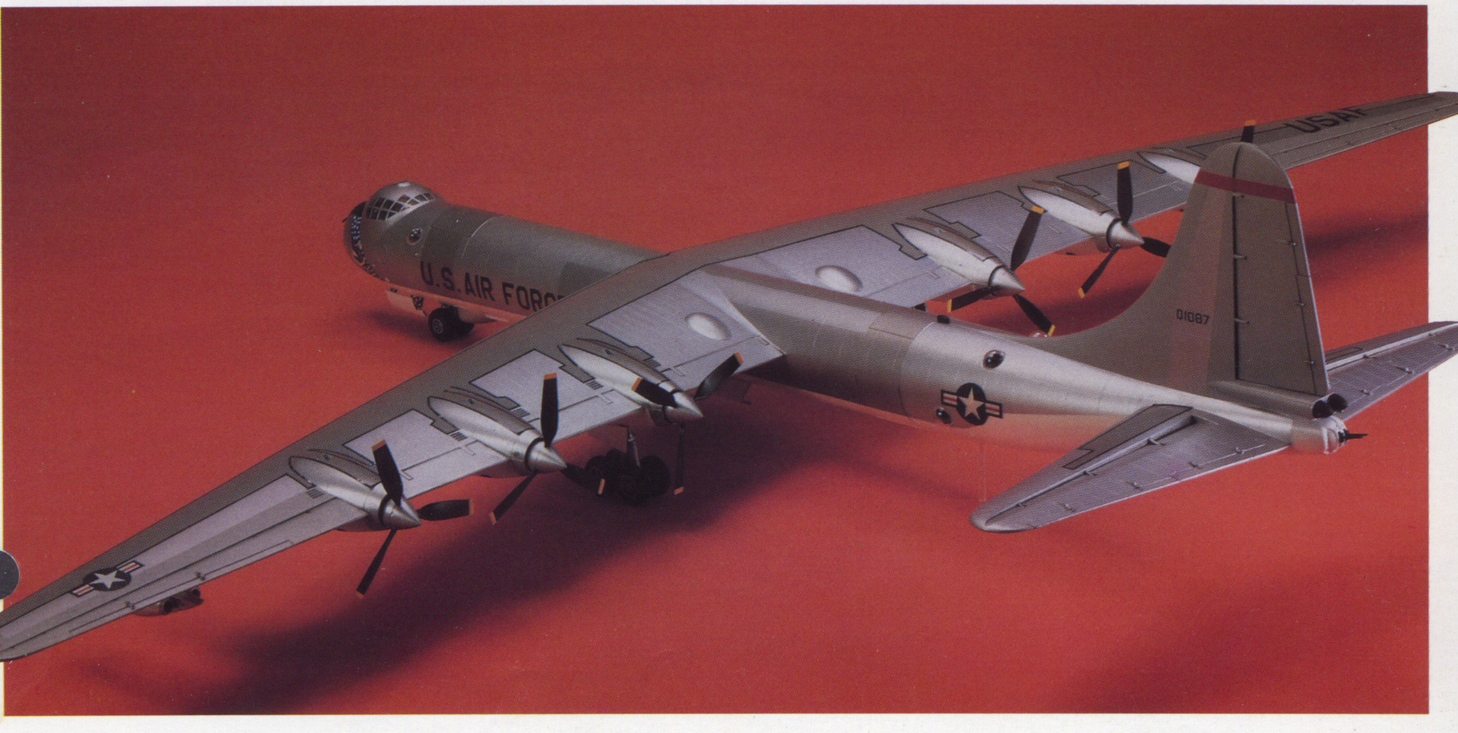


5700 B-29 SUPERFORTRESS. This gigantic model is a 1/48 scale reproduction of the WWII bomber used by the Air Force to carry the first nuclear weapons. It's 24¾" long with a wingspan of 35¼". Cockpit, engines, wheel wells and bomb bay are highly detailed. Bomb bay doors open. Kit is molded in color and includes five crewmen.



5703 B-36 PEACEMAKER. *The largest plastic model airplane kit ever produced!* This gigantic aircraft had 6 pusher-type propellers and 4 booster jet engines. In 1/72 scale, the model is 27″ long and has the longest wingspan of any plastic scale model kit, 38$\frac{5}{16}$″. Kit is molded in silver and includes 80 bombs in the bomb bay and 4 figures that can be seated in the detailed cockpit and crew compartment.

8292 B-52D STRATOFORTRESS. Over 26″ long with a wingspan of more than 30″. An exact 1/72 scale reproduction of the giant Boeing airplane used by the Strategic Air Command. Kit includes instructions for painting silver and white SAC version or camouflage pattern used on operational bombers. Wing flaps are moveable, landing gear can be assembled extended or retracted.

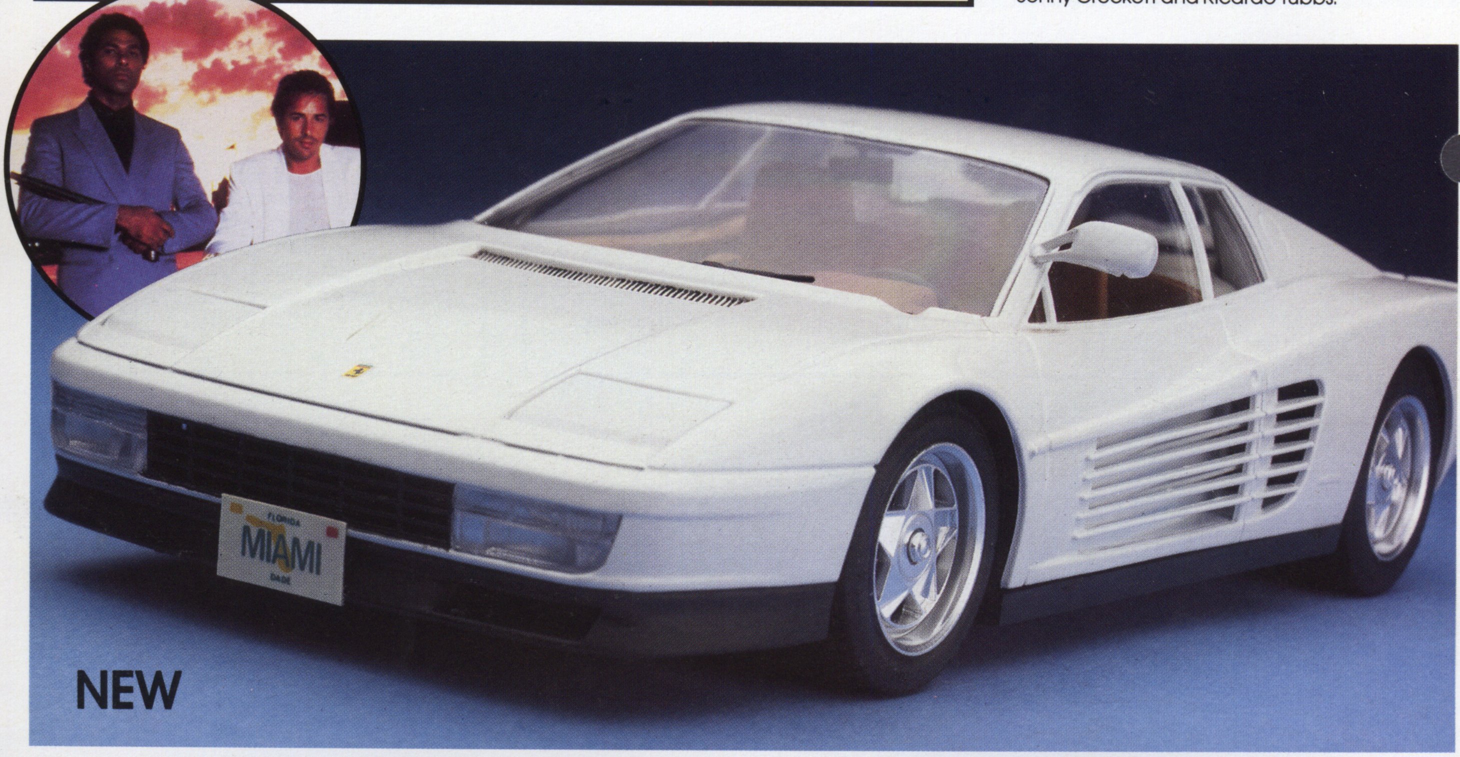


MIAMI VICE™

Who isn't caught up in the intrigue of *Miami Vice*, fast-moving action adventure of two undercover cops surviving the ugliness of the Florida streets in their relentless fight against corruption? Sonny Crockett and Ricardo Tubbs, an unlikely partnership brought together through mutual involvement in a smuggling case, track down their suspects with the aid of the custom cars and high-speed power boat shown here in model kit form. What could be more exciting than watching them in a high-speed chase sequence of the hit TV series, then sitting down to build these exclusive Monogram models?

2737 DAYTONA SPYDER. 1/24 scale exact duplicate of that sleek, $100,000 speed machine from Miami Vice™. Super detailed body, chassis, engine and interior, molded in gloss black...a car that's as tough as its driver!

2756 FERRARI TESTAROSSA. Powered by a massive 12-cylinder "Boxer" engine, this gorgeous set of wheels is the latest star to debut on the exciting Miami Vice™ hit TV series. In 1/24 scale, it's got everything but Sonny Crockett and Ricardo Tubbs.



NEW

3104 SCARAB OFFSHORE POWER BOAT. Those two adventuresome undercover cops, Crockett and Tubbs, take to the water in this sleek, 38-foot high-speed power boat. And this model is a 12½" detailed replica of that exciting machine. Includes gleaming plated parts, colorful decals and detailed engine.

MONOGRAM®

They're tough! They're mean! They thrill the crowds at county fairs, demolition derbies and truck pulls. These custom 4x4s, with their super high-rise suspension and blown V-8 engines, turn cars into scrap metal, crushing them beneath their four massive, six-foot, thousand-pound Goodyear Terra-Grip tires, just to delight the spectators.

In 1/24 scale, these custom pick-ups have 12 heavy-duty shock absorbers, detailed engines and interiors, hoods that open, colorful decals and tires that are over 3″ in diameter. Wheels turn.

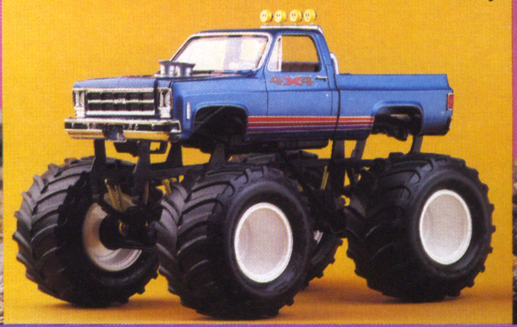
2421 Hammer Head™ 4x4 Chevy



Here come the meanest machines of all . . . they could crush the Krusher®! In 1/32 scale they're nearly 12″ long. Those massive Goodyear Super Terra Grip tires would be 8 feet in diameter in real life. Both of these kits are Freightliner tractors, highly modified to draw screams of delight from the crowds at fairs and truck-pulls. Picture these babies crawling to the top of a stack of junked cars and crunching metal with full power behind all of their six giant wheels. Molded in color with lots of plated parts.

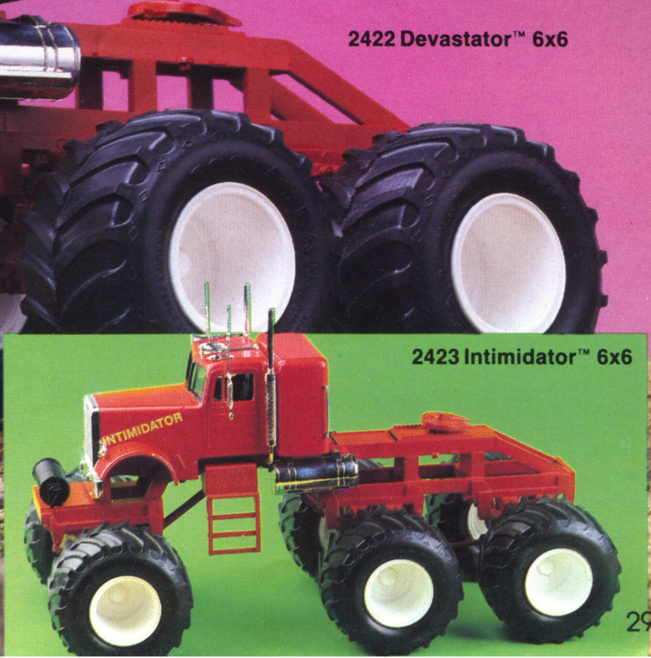
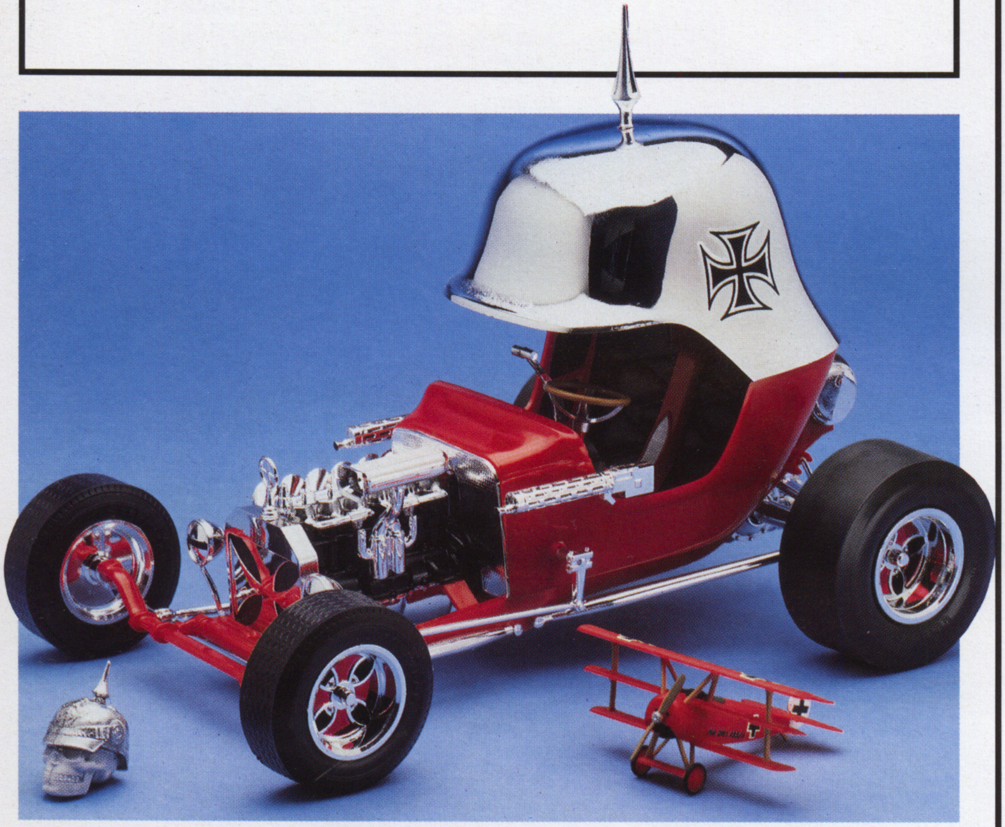
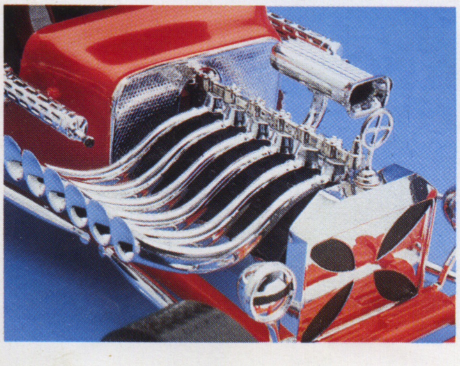
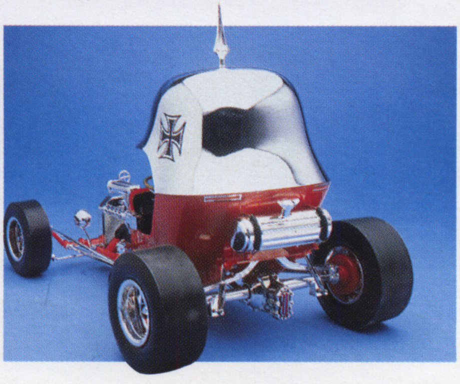
2423 Intimidator™ 6x6



2506 BIG RED BARON®. Over 9½" long, with giant plated German spiked helmet! It's powered by an outrageous 1914 Mercedes aircraft engine with "trumpet" exhausts. Goodyear drag slicks ride on custom German Iron Cross wheels. Watch out for those side-mounted machine guns, that miniature Fokker triplane and helmeted skull!







9702 1/12 SCALE 3 'n 1 CAR ASSORTMENT. In BIG 1/12 scale, these models are alive with super detail...right down to the fuel lines and ignition wires under those hoods. But that's not all! Included in these BIG kits are extra, optional engine parts, wheels, tires and other custom equipment, giving the builder a choice of any ONE of THREE styles in which to assemble the kit...as a stock version, a street machine or a full race-prepared drag machine. Hoods open.

2800 '57 CHEVY FUEL INJECTED COUPE 3 'n 1. Definitely one of the most popular and recognizable cars from the automotive past, the '57 Chevy is a legendary example of American trends in motorcar design. It's 16⅛" long, molded in gloss black with red interior. Even a miniature pair of "fuzzy" dice to hang from the mirror.

2801 CORVETTE 427 COUPE 3 'n 1. 1967 was the last year of the *Stingray* body design for Chevy's popular two-seat sports car. To many Corvette lovers, it was one of the *best* years, with its big block 427 fuel-injected engine. This BIG 1/12 scale model is a detailed replica of the full size high-performance machine.

2608 1985 CORVETTE COUPE.
This sleek machine is considered the most advanced automobile ever created by Chevrolet. As its aerodynamic body slices through the wind, it's performance rivals the most exotic European sports cars. In big, 1/8 scale, this model is 21¾" long. It's molded in red with clear and gleaming plated parts and hollow black, rubber-like Goodyear tires. The interior has contoured bucket seats and full instrument panel. The chassis has detailed front and rear suspension and alloy-style wheels. The front body panel tilts up, just as on the real car to expose the engine compartment with a fuel-injected V-8 engine so magnificently detailed it will hold model car fans in total amazement. Picture eight of these assembled models end-to-end and you've got the length of the real car. Enjoy the excitement of the '85 Corvette...in 1/8 scale by Monogram.

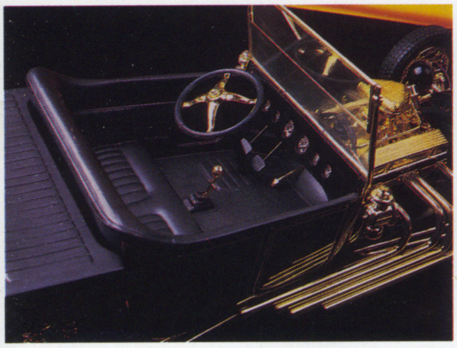
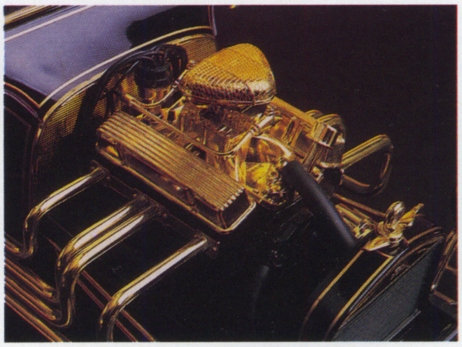
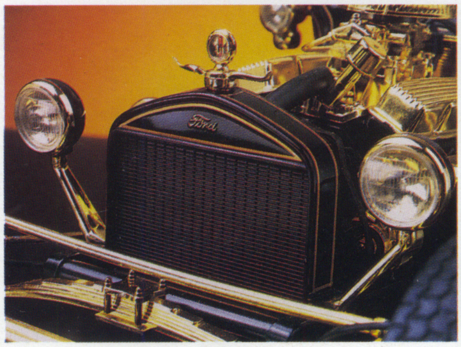
2609 GOLDEN "T" STREET ROD.
The world's all-time favorite "jalopy", with its familiar ragtop, has been loaded with speed equipment and updated with V-8 engine, custom wheels, exhausts and interior. Kit is molded with a black interior and high-gloss black body. Plated parts are a rich gold color. Hollow, black, rubber-like B.F. Goodrich Radial T/A 50 tires, Michelin XzA front tires and gold pinstripe decals are included. In Super Scale, this model is 16½" long...1/8 the size of the real car! Steering mechanism really works.

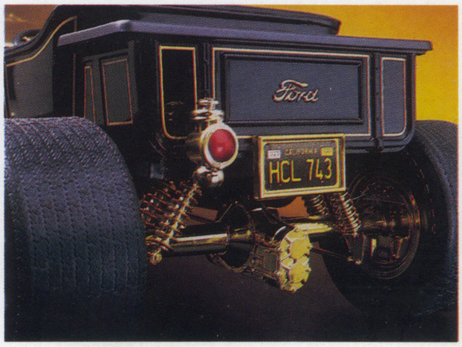
9223
SUPER SCALE CAR ASSORTMENT.

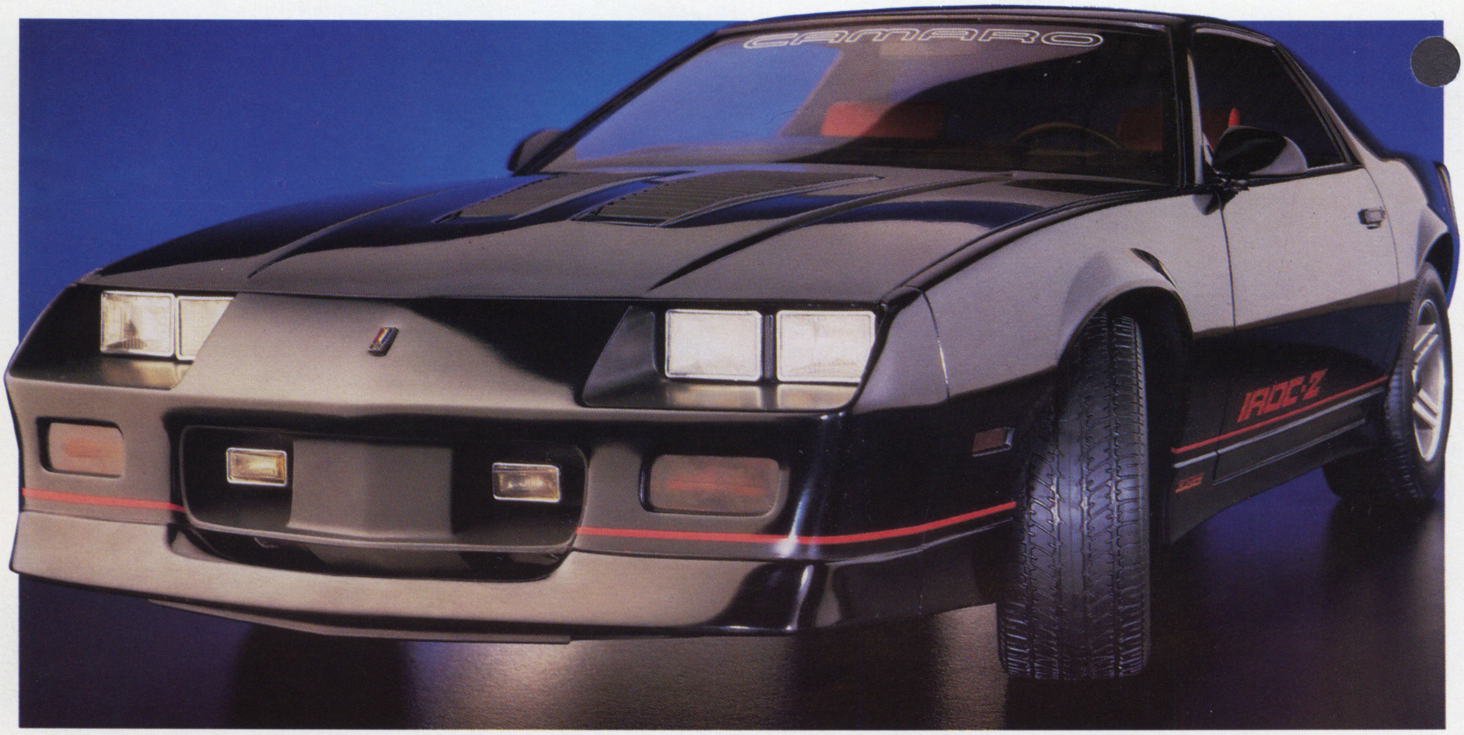




This custom street rod is a stunning machine on the road or at the shows. Who can argue with the exquisite beauty of an automobile with a black and gold color scheme combined with the nostalgic Ford Model "T" radiator grill and "T-Bucket" body work?



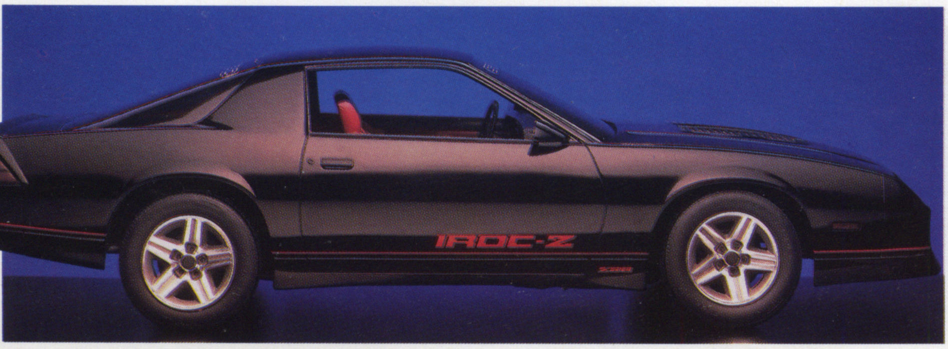


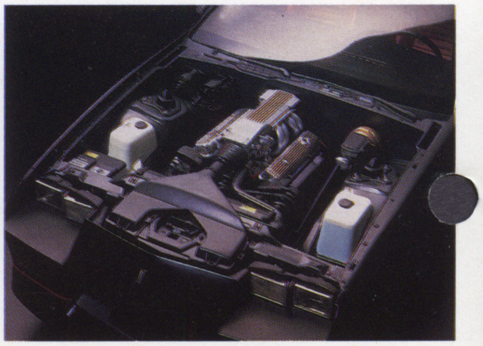


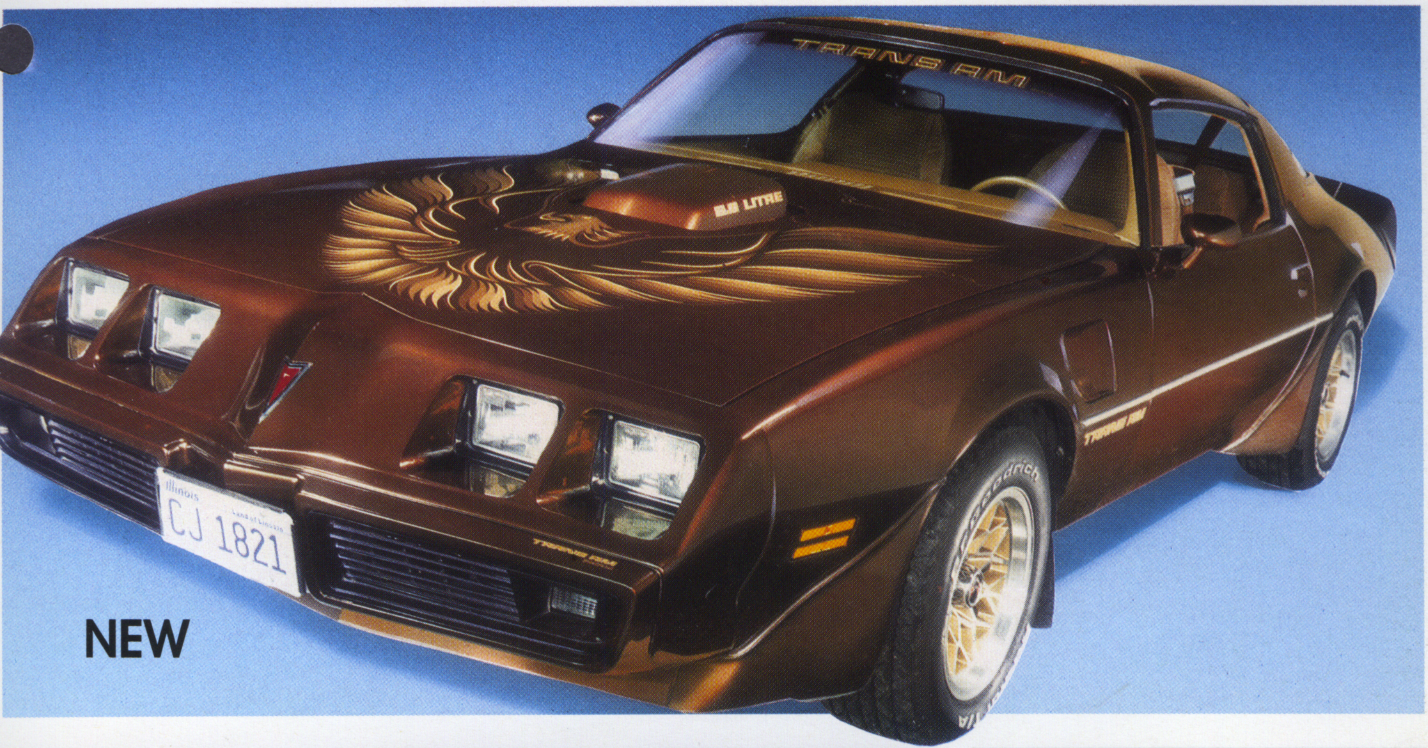
2610 1985 CAMARO IROC-Z. From the Tuned Port Injection system on the Chevy small-block V-8 engine, to the cast alloy wheels fitted with Goodyear VR-50 "Gatorback" unidirectional tires, this baby really means business. In performance...in styling...in comfort...this may very well be the most exciting Camaro yet to hit the streets!

In big 1/8 scale, this model is 23½" long. It's molded in yellow, beige and black with clear and plated parts and hollow, black, rubber-like tires. Interior has contoured bucket seats and detailed instrument panel. Special features include IROC-Z front end, dual exhausts, low-drag rear spoiler and IROC-Z markings. Hood opens to show engine. Front wheels are steerable.

9223 SUPER SCALE CAR ASSORTMENT.







2611 PONTIAC TRANS AM™. Trans Am lovers consider this one a classic. With the familiar Firebird hood graphics and gold tone "snowflake" pattern alloy wheels, its styling is superb. In 1/8 scale, this model has detailing that will astound anybody... chassis, body, interior and big 6.6 liter V-8 engine under that opening hood. A spectacular showpiece for any collection.

2612 JAGUAR XK-E. The spring, 1961 introduction of the Jaguar XK-E probably caused more excitement among sports car enthusiasts than any other event. The aerodynamic lines of its monocoque body along with its twin overhead cam 6-cylinder powerplant made it a delight to look at and a dream to drive. This superbly detailed 1/8 scale model has doors that open, windows that roll up and down, steerable front wheels and operating front suspension with coil springs. Hood opens to show detailed engine.

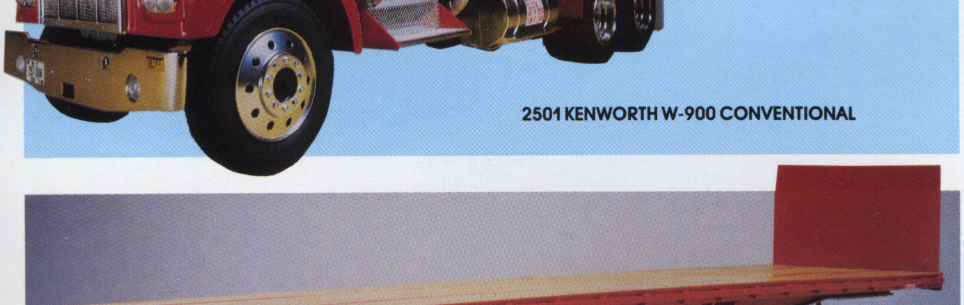
Here are three of the finest 10-wheel tractors on the road today. Rugged and reliable, they're favored by many owner/operators throughout the world. And they're available as 1/16 scale model kits from Monogram. The largest plastic model truck kits ever produced, they're 20″ long and have fully detailed bodies, trim, chassis, interiors and engines. Kits are molded in color with black and clear parts. Plated parts include dual exhausts, air horns, side mirrors, antennas, lights, bumpers and grills. Wheels and fuel tanks are plated with a dull finish for a realistic appearance of matte aluminum. Hollow molded tires are Michelin Radials. Decorative decals are included. Hoods open to show turbocharged diesel engines.



2503 FLATBED TRAILER. Designed according to the latest Fruehauf specifications, this 1/16 scale kit is compatible with all Monogram 1/16 scale tractors. It's over 26″ long and includes completely detailed chassis and suspension, five-spoke wheels, hollow Michelin tires and simulated woodgrain bed.

9300 NAVY SHIP ASSORTMENT. These Monogram kits are authentic reproductions of famous Navy vessels. Highly detailed, they have all the characteristic features of the full size originals.
